Ford 351W Crate Engines | Ford High Performance Crate ...

The 351W (so identified to distinguish from the 335-series Cleveland 351C) uses a taller block than the other engines in the series to avoid excessively short connecting rods. And for a brief time in the early 1980s a version with a smaller bore diameter that displaced 255 cubic inches (4 l) was produced as Ford struggled with emissions and fuel economy.

Ford small block engine - Wikipedia

The Ford 351W was an engine developed by the Ford Motor Company. Many of the 351W engines were produced in the Ford factory located in Windsor, Canada. Ford began manufacturing the engines in 1969 and continued using the engine in Ford vehicles until 1995. The Ford 351W was used in a variety of vehicles, from the Mustang to the F350.

Ford 351W Crate Engine | 351 Crate Engine for Sale

Ford 351 Windsor Engine (Image/Hemmings Motor News) The 351W is named for the factory in Windsor, Ontario that produced them. It is part of the long-running Ford small block Windsor V8 family, which also includes the venerable Ford 302 (5.0L) V8.

What's the Difference Between a Ford 351 Windsor ...

Getting it's name from the Windsor engine plant, the 351W is a favorite among Ford enthusiasts. Often mistaken for a 289 or 302, the Windsor features an entirely different block which is much stouter and has a taller deck height. While the heads will interchange with other small block Ford engines, the 351W requires a unique intake manifold.

The Ford 351W or 351 Windsor is classic American muscle. Part of the 90 degree small block V-8 family of Ford engines, the 351 Windsor reached its peak stock horsepower in 1969 at 290. Though this small block is a platform capable of much greater performance, you can easily modify it to make more horsepower and torque.

351W Performance Tricks | It Still Runs

The 351W features a tall and wider block which equates to needing more clearance for your engine's top end. There are plenty of ways to accomplish this but the most popular are cowl hoods, drop motor mounts or k member spacers. Rather than cutting your stock hood open, add some fresh new style with one of our cowl hoods.
