A Brief History Of Misogyny

Misogyny is the one area of history rarely taught in schools or talked about even among girls and women. Yet, it was invented and perniciously survived for thousands of years through today for one reason: it works; sexism and misogyny have always been an effective, purposeful control (and harm) of females worldwide.

Misogyny: The World's Oldest Prejudice by Jack Holland

The history and present-day prevalence of misogyny throughout the World is an absolute disgrace and it is encouraging that greater attention to the matter seems to be arising in recent days. Some attitudes and practices towards women and girls have been and are disgraceful beyond the powers of words to describe. I am tempted to become a feminist.
