This date is on your Permanent Resident Card (formerly known as an Alien Registration Card or "Green Card"). The sample cards on this page show where you can find

A Guide to Naturalization - USCIS

That's military jargon, though I've read it in an old CB operations guide. There are two scales to measure how well you are hearing someone on the radio: Strength and clarity of transmission. Since its a five-point scale, a signal of 'five by five' would be the optimum values. Something worse would be 'two by two' for instance.
