Vocabulary development is critical to success in reading. To develop students' vocabulary, teachers must encourage a curiosity about the meaning and use of unfamiliar words and promote the use of strategies that will help students find the meaning of unfamiliar words. This resource provides practical strategies for helping students build listening, speaking, reading, and writing vocabulary.

Building Vocabulary - TeacherVision

In my classroom, visuals play two important roles in helping ELLs comprehend and internalize new vocabulary. First, I use visuals when introducing new terms to the class. These visuals help to clarify the meaning of new vocabulary if the written definition for the word is confusing or contains unfamiliar words.

Top Five Vocabulary Strategies for English Language Learners

Most students acquire vocabulary incidentally through indirect exposure to words at home and at school—by listening and talking, by listening to books read aloud to them, and by reading widely on their own. The amount of reading is important to long-term vocabulary development (Cunningham and Stanovich, 1998).
