SOCIAL JUSTICE. The first section of A Theory of Justice is called "The Role of Justice," and it begins with a bold assertion of the centrality of the virtue of justice: "Justice is the first virtue of social institutions, as truth is of systems of thought." (TJ, 3/3) The claim is that while there may be other virtues of social institutions, they may not be achieved by sacrificing justice.

In this chapter, Rawls gives the first in-depth statement of his theory of justice. This is not the final statement; Rawls will continue to clarify, modify, and expand the theory throughout the text as he further considers each part, especially in light of possible objections or comparisons to other theories of justice.

A Theory of Justice Part 1 Chapter 2 Summary | Course Hero

The best movie about con games is The Grifters, and the best scene in that movie is "Bobo and the oranges", where mob boss Bobo terrorizes and punishes Lilly for screwing up one of his money laundering schemes. It's one of the top-ten brutally compelling scenes in any movie I've seen, not so much for the physical violence as for the psychological violence.
