LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Destined For Equality

Men and women remain unequal in the United States, but in this provocative book, Robert Max Jackson demonstrates that gender inequality is irrevocably crumbling. *Destined for Equality*, the first integrated analysis of gender inequality's modern decline, tells the story of that progressive movement toward equality over the past two centuries in America, showing that women's status has risen consistently and continuously.

Destined for Equality : Robert Max Jackson : 9780674057289

Teach us to see clearly, that we, your children, are far more alike than we are different. Help us to put aside the racial prejudices embedded within us, and to see within every person the Child of God you created, our sister or brother, destined for Glory. In the name of One who died for all persons, of all colors, Jesus Christ.
