Guide To Hotel Design is a series of articles that have been specifically commissioned by experts to guide readers through the journey – challenges and solutions – of designing a hotel. The aim of this section is to provide designers, architects and hoteliers with vital information so that they can avoid common pitfalls.

Guide To Hotel Design • Hotel Designs

Design – The architecture and interior design of a boutique hotel is as unique as its operations, but always upscale and often combining historic details with chic elegance. The lines may be sleek and contemporary or quaint and homey – or even an artistic amalgamation. Boutique hotels convey a progressively forward style with fastidious décor.
