only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two

### **Inequality Reader Grusky**

"Inequality is the central motivating concern of sociology, and there is no better guide to the stratification canon than The Inequality Reader. In this second edition, Grusky and Széleányi take us on an occasionally challenging, sometimes humorous, often provocative, and always engaging tour of the major works on social stratification."
