Page ii GIA 63/GIA 63W Installation Manual Revision R 190-00303-05 This manual reflects the operation of main software version 5.31 for the GIA 63 and main software version 6.00 for the GIA 63W. Some differences in operation may be observed when comparing the information in this manual to earlier or later software versions.

GIA 63/GIA 63W - Garmin

Both the KN 62A and KN 64 can be channeled remotely through almost any NAV receiver or tuned directly with their own frequency selection knobs. They even have dual channeling capability, making two DME frequencies available to you at all times - one remote with one stored internally. So what you have, in effect, is a functional DME Hold Mode.

KN 62A Panel Mount DME - BendixKing

King's KN-63 DME is a remote-mount Receiver / Transmitter version of the popular and powerful KN-62A DME. If you have limited panel space, but need a TSO'd, high-power DME, King's KN-63 is just what you need. The KN-63 is typically paired with the King KDI-572 DME Indicator, but it can also drive a KDI-573 "repeater" DME Indicator on the co ...

KN-63 DME Receiver / Transmitter - Bennett Avionics

Unfortunately, the Bendix King KN-63 install manual does not have this information (at least the 2004 revision does not). I've tried to craft the 337 to make reference to ICA information based on similar navigation equipment but the FSDO inspector would like something specific to the KN-63 that has been documented and approved somewhere.

KN 63 REMOTE DME | Century Avionics

Therefore, in most cases, it is less expensive to buy the entire unit installation kit. ... Even though the KN-62 is a higher power DME, supply and demand factors relate to the market pricing for the KN-62 vs. KN-64. In addition, the KN-62 is an older unit and therefore has reliability factors that need to be considered. ...

BendixKing KN-64 | SEAEROSPACE.COM

The King KN-64 DME represents a compromise between the KN-62 and KN-62A DMEs. It is a current production model, like the KN-62A, but typically sells for roughly the price of a KN-62 (check current prices). The trade-off is that the KN-64 is a less powerful model than either the KN-62 or KN-62A.

KN-64 DME - Bennett Avionics

Offering significant advantages in aircraft DME reliability and performance, the KN 63 is all solid-state (no transmitter tubes) and can be installed with either single or dual panel indicators.
