Living through the dead: Burial and ... - Oxbow Books

Appeasing the Spirits. Many early burial rites and customs were practiced to protect the living, by appeasing the spirits who were thought to have caused the person's death. Such ghost protection rituals and superstitions have varied extensively with time and place, as well as with religious perception, but many are still in use today.

Living through the dead; burial and commemoration in the ...

Burial or interment is a method of final disposition wherein a dead person or non-human animal is placed into the ground, sometimes with objects. This is usually accomplished by excavating a pit or trench, placing the deceased and objects in it, and covering it over. A funeral is a ceremony that accompanies the final disposition. Humans have been burying their dead since shortly after the ...
