The legend of the Portuguese Rooster can vary depending on the telling, although the main story about the roasted rooster declaring the pilgrim innocent is consistent. One variation claims that the pilgrim is a guest of the landowner and his banquet, where he stole his silver.

Mike the Headless
Chicken (April 20, 1945
- March 17, 1947), also
known as Miracle Mike,
was a Wyandotte
chicken that lived for
18 months after his
head had been cut off.
Although the story was
thought by many to be
a hoax, the bird's
owner took him to the
University of Utah in
Salt Lake City to
establish the facts.
