Making Movies by Sidney Lumet Summary and Notes. How great to have an entire book written by a great director. Of course a lot of great information here. I need to see some of these movies I haven't yet seen that he talks about. He seemed a little bitter in the end, but he had the right. Big key take away, always be making stuff.

### **Making Movies - Summary and Notes | Steven Farmer**

In the book, "Making Movies" by Sidney Lumet, the iconic director describes a lens plot as the way your camera tells the story. A lens plot, he says, is like a "style guide" — a way to make sure everything in the visuals serves the story, character, and theme. This approach to filmmaking creates unity between the script and the film.
