would have been unthinkable up until just a few years ago. However, with software solutions for home computers, users are offered the possibility to experience music production completely.

Making music with the Music Maker - MAGIX

Try to make the verses and choruses sound distinct from one another so they don't all mesh together. Include a hook for your song at the beginning or during your chorus to grab the listener's attention. As you get more comfortable making music, you can try experimenting with different song structures.
