### **Check engine light came on. P0455 was the code for Large ...**

My wife informed me tonight (Sunday), that the Check Engine light came on last Thursday morning on her way to work. She was only a half mile from our house. Classic Evap test failure. I read the codes, and both p0422 (small leak) and p0455 (Gross Leak) were present. I don't if they both set on Thursday, or if they set at different times.
