the language. b) Words that convey meaning (vocabulary or lexis). c) Sound, stress, and intonation patterns, which combine to make "Pronunciation". If you communicate only through the written word, you will need only the first two of these components. If, on the other hand, you want to be able to understand spoken language, and to

Pronunciation exercises - VOBS

It is important to understand that English is not a phonetic language. So we often do not say a word the same way it is spelled. Some words can have the same spelling but different pronunciation, for example: I like to read [ri:d]. I have read [red] that book. Some words have different spelling but the same pronunciation, for example:
