Sustainability Marketing: A Global Perspective PDF

I can highly recommend the book "Sustainability Marketing: A Global Perspective". First of all, I have to state that this book was of great help in my dissertation as it explains the emerging trend towards sustainability marketing in detail but at the same, is easy to understand as the book is very clearly written.

By Rachel Lee With more and more students studying sustainability in school, a mutual sense of responsibility has emerged from the youth to advocate for a more sustainable future. For this story, I had the opportunity to speak with three students who are studying sustainability at universities throughout the country. These individuals are exemplary of our generation's disposition when facing ...
