Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

The Creation Of American R

There were no pollsters during the American revolution, but it's safe to say its popularity rose and fell over the course of the war. Historian Robert M. Calhoon estimated that only about 40–45% of the free population supported the revolution, while about 15–20% of the free white males remained loyal.

American Jobs Creation Act of 2004 (2004 - H.R. 4520)

In 1947, William Levitt turned 4,000 acres of Long Island, New York, potato farms into the then largest privately planned housing project in American history. With 30 houses built in assembly-line fashion every day — each with a tree in the front yard — the American subdivision was born. Then came the cars. And the backyard barbecues.

American /r/ is that the tip of the tongue never touches the tooth ridge during this sound!. Method 1 (solid): The back of the tongue is raised so the sides of the tongue touch the back teeth.

Pronounce r sound — Pronunciation: American English Pronunciation

Roger R. Tamte tells the engrossing but forgotten life story of Walter Camp, the man contemporaries called "the father of American football." He charts Camp's leadership as American players moved away from rugby and for the first time tells the story behind the remarkably inventive rule change that, in Camp's own words, was "more important than ...

The Motion Picture Association (MPA) film rating system is used in the United States and its territories to rate a film's suitability for certain audiences based on its content. The MPA rating system is a voluntary scheme that is not enforced by law; films can be exhibited without a rating, although certain theaters refuse to exhibit non-rated or NC-17 rated films.

Motion Picture Association film rating system - Wikipedia

Leaders of the American Revolution envisioned the United States as the next great world empire. George Washington and his allies, Thomas Jefferson and James Madison, believed that the capital of that empire should be a commercial as well as political emporium.
