Coon in 1967 for the original Star Trek (TOS) series, Klingons were swarthy humanoids characterized by prideful ruthlessness and brutality.Klingons practiced feudalism and authoritarianism, with a ...

### Klingon - Wikipedia

Human-Klingon history is riddled with conflicts between the United Earth/United Federation of Planets and Klingon Empire dating back to the mid-22nd century, following first contact during the Broken Bow Incident and prior to the creation of the Federation. These conflicts were generally considered as "annoyances" by the Empire. (ENT: "Broken Bow", "Judgment") With the Battle of the Binary ...

### Human-Klingon history | Memory Alpha | Fandom

Portrayal over time. Star Trek: The Original Series (TOS), which ran from 1966 to 1969, modeled the conflict between the Federation and the Klingon Empire on the Cold War (1947–1991), a period of geopolitical tension between the Western countries and the Soviet Union. TOS Klingons were not given many cultural traits, either unique or Soviet-like, beyond a generic need for domination and tyranny.

### Klingon culture - Wikipedia

As others have said, it wasn't red for rating purposes. It is considered to be a different color from human blood, and attempts to answer the question based on something human blood does under certain circumstances aren't really valid, though the idea that klingon blood is red under normal conditions and changed because of live support failure, clotting, or decompression is an interesting ...

### what color is klingon blood REALLY? : startrek

We've been introduced to dozens of fictional alien species in the Star Trek universe – Vulcans, Romulans, Tribbles, the Borg etc. – but perhaps the best-known of the bunch is the Klingons. There was a Klingon in the crew of the U.S.S. Enterprise in The Next Generation in the form of Commander Worf, while the species has been present as both allies and heroes in all other Star Trek media.
