*** I won a free copy of this book via a giveaway by the publisher on Instagram *** To Reach the Clouds is an autobiographical recounting of the six-year plot to rig a highwire between the twin towers of the World Trade Centre in order to orchestrate an act of unsurpassed aerial artistry. This highly illegal endeavour was planned and executed by high wire artist Philippe Petite, in conjunction with a motley crew of accomplices united by a single daring and dangerous vision.

To read this book is to reach for the clouds. Madman or visionary? Petit must be infuriating to know, but both his aspirations and his writing is poetic. Petit is unafraid to show his fear. He lets us step onto the wire with him - and the view is spectacular. Warning: your own life may feel very dull by comparison.

37 quotes from Philippe Petit: 'You must not fall. / When you lose your balance, resist for a long time before turning yourself toward the earth. Then jump. / You must not force yourself to stay steady. You must move forward.'. 'The essential thing is to etch movements in the sky, movements so still they leave no trace. The essential thing is simplicity.
